Sir,

I have the honor to forward herewith in original letter o 368 dated the 9th instant from the President - Tumkur Town Municipality addressed to you regarding the appointment of a Chief Officer for the Municipality and to state as follo s --

The resolution of the Municipal Council may be sanctioned The Municipal Council propose to appoint a Chief Officer on a pay of Rs 150/- abolishing the post of the Revenue Inspector and the Municipal Sub-overseer and - replacing the Sanitary Inspector by a Sanitary Maistry on a pay of Rs 20/- per mensem The posts of the Revenue Inspector and the Municipal Sub-overseer may be abolished It is not possible or desirable to dispense with the services of a properly trained ~~taxinsp~~ Sanitary Inspector for such a big town as Tumkur I would therefore suggest that a Sanitary Inspector getting about 20% less than the present incumbent who gets Rs 67 plus 10 personal allowance on Rs 47 plus 10 may be given to the Municipality and the present incumbent transferred elsewhere I have discussed the matter with the President is agreeable to the proposal The changes that may be effected

5

effected thereby would be Rs 127/8 as detailed in the margin*. Against this a Chief Officer on a pay of Rs 150 plus 25/- may be appointed

Revenue Inspector	35 plus 7½	-- 42/8
Sub-overseer	50 plus 15	-- 65/-
Savings to be effected by the appointment of a Chearer Sanitary Inspector		Rs20/-
	To at	127-8-0

Through the Deputy Commissioner, Tumkur Distt, Tumkur

Sir

Adverting to your letter No 5549/ 118-27-31 dated 13-3-28 to the Deputy Commissioner received with his No A.4.-20-95 / 27-28 on 17th March 1928 in the matter of appointing a chief officer to this Municipality for obtaining a resolution of the Municipal council etc I have the honour to state that the question of appointing a Chief Officer to this Municipality is engaging the attention of this Municipality ever since the year 1918 So a full note for the appointment of the said officer to this Municipality narrating all the previous references was put up, and the same was fully circulated among all the members of the council for due consideration of the question A copy of which is also enclosed herein The present situation of the Municipal Council , along with its finances was also considered by the council Further the question was also referred to the Managing committee appointed by the council for submitting suitable proposals after due consideration on the point of finances And finally on the recommendation of this committee the question was brought up and fully discussed at the council meeting held on 2nd July 1928 and the resolutions passed there to are enclosed herein

The water supply scheme undertaken by this municipality for which it has a loan of Rs. 1,30,000/- has just now commenced its work. On account of this loan it has to set apart every year 14,300/- towards payment of interest and sinking fund Further, it has to spend more than Rs 1500/- for its maintenance This cannot be said as final as per letter of the Executive Engineer, Water supply Division, Bangalore, wherein he states that a sum of Rs 1,400/- at least should be spent every year for Alum Plant for the purification of the present supply of muddy water

Considering all these facts the council finding its inability to provide funds for the appointment of a Chief Officer, has resolved to retrench all the Executive Officers of the Municipality and thereby to appoint one officer instead

Further considering the importance of work involved on the person (~~involved on the person~~) to be appointed as Chief Officer which the council considers not possible by a new recruit for the place has resolved that the person to be appointed be appointed in consultation with the council

As the year has commenced and as per resolution of the council recommendation has been made separetely for continuing the services of the Municipal Sub Overseer for a further period of one year After kind approval necessary references will be made to the officers concerned to take back the services of the lent officials such as sanitary Inspectors Sub Overseer, and Rev Inspector before the question of entertaining a Chief Officer can come into operation

I have the honour to be,

S i r,

Your most Obedient Servant,

President

Note on the appointment of a Chief Officer

The question of appointing a Chief Officer came up before the Municipal council for the first time in the year ~~1918~~ 1918 At a general meeting held on 31st August 1918 it was resolved " that ar overseer or Sub Overseer of experience, whose pay pensionary contribution and allowance do not in all exceed Rs 100/- per mensem be appointed as Chief officer of the Municipal Council to attend mainly on public works the salary being met out of provision made in the current year's budget under publi works which will be correspondingly reduced" This was done, because it was found that same officer was neces sary to look after the heavy task which entailed on the Honorary Vice-President The Government in their reply of the communication No. L F PC 67/18-19 d 13th August 1918 said that " theappointment of a public works Overseer as Chief Offier cannot be sanctioned as under the Municipal Regulation , the Chief Officer will have the control over the whole of the Municipal executive It is found that the Government can lawfully appoint a Chief Officer to a city Municipal Council 177(2) and his powers are clearly defined in sect 183-185 under section 186 The

[illegible] of this

The Government has reserved its powers to make the provisions of this section applicable to any other Municipal Council by a notification published in the official gazette

The appointment of a Chief Officer will have to be considered from the point of view of the finances of the Municipality While considering this, the Council should also try to find its way to meet the other urgent demands which they have proposed in recent years but not carried out owing to shortage of funds Of these, the question of taking over the management of Primary schools to the control of the Municipality which was mentioned in the address presented to the Dewan Sahib and which was discontinued owing to lack of funds stands foremost Further the council, is also not in a position to contribute amounts towards Public Improvement works on account of its heavy expenditure towards the payment of interest on water supply loan and sinking fund etc In recent years the Government are contributing annually substantial amounts towards this in case the Municipal council bears a sum equal to that it is but fair for the council to avail itself of this opportunity also This need not be told as important and one that is necessary considering the large amount which the council would be forced to spend towards drainage

drainage which hey cald not post-pone ary longer after the present suppl, of water to town

Further, at the request of some of the councillors , the question of retrenchment in the Municipal Estt both Executive and Clerical to effect some savings was also fully discussed in the previous,year and finally the council has resolved to retain the whole establishment This is to be supplemented most necessirily by the Water Suppl y Establishment which is estimated at a cost of Rs 1230/- - annually to maintain the present water supply

Considering the present finances of the Municipality if the appointment of a chief officer has to be sanctioned the Municipality will have to dispense with the services of the Executive Officers such as Reverue Inspector and Overser and also it may have a Sanitary Inspector on a smaller pay The matter is left for the consideration of the Municipal Council

Proceedings of the Government of H H the Maharaja of Mysore

Re 105-22-2

Read -

Letter No A7 2095/27-28 dated 21st July 1928 from the Deputy Commissioner Tumkur District, requesting sanction to the resolution of the Tumkur Municipal Council proposing among other things the appointment of a Chief Officer on Rs 150/- per mensem.

ORDER NO L 1298-9

Dated, Bangalore the 10th ~~July~~ Aug 1928

The Municipal Council Tumkur have resolved that a Chief Officer on a pay and allowance not exceeding Rs 150/- per mensem and possessing a knowledge of Engineering and Sanitation be appointed for the Council that the services of the present Revenue Inspector and Overseer be dispensed with and that a Sanitary Maistry on a pay not exceeding Rs 20/- per mensem be appointed in place of the Sanitary Inspector The Deputy Commissioner while recommending the proposal suggests that the present Sanitary Inspector may be replaced by a man getting about Rs 20/- less than the present incumbent i e Rs 47 plus 10 and says that the President of the Council is agreeable to the modified proposal The Deputy Commr also recommends that as there will be a savings of Rs 127-8-0 per mensem by the above proposal a Chief Officer on a salary of Rs 150 plus 25 may be appointed

The recommendations of the Deputy Commissioner are sanctioned
